**Chair's Report** Brian thanked those present for their attendance

He went on to report the plans to paint courts 1 & 2 in the next month or so. All dependant on the weather. We have been quoted £3200 for the 2 courts, Foss tender was the best value. Members advised the chairman that as there are no matches to be played in the S & D leagues during Tournament week A suitable date would be 14th. July. Brian made the point that the actual date cannot be agreed due to weather conditions and the amount of work the firm has. However every effort will be made to avoid disruption to teams & member's schedules.

**Secretary's report** Rita told the meeting there are now 147 members, 70 adults, 76 children and 1 student. In May 2008, we had 134 members. There have been very few new members and several regular members have still to pay subs for this year.
